Dear

Thank you for attending my Rensselaer Town Hall event on August 19, 2013. I would like to address your question regarding a mailing from Planned Parenthood.

As a pro-life Hoosier, I believe that life begins at conception. American taxpayer money should not be spent on abortions or fund organizations like Planned Parenthood that actively encourage the practice. As long as Planned Parenthood is promoting and performing abortions, they should not receive taxpayer support. The mailing you shared with me further demonstrates the importance of ending federal funding for Planned Parenthood.

You may be interested to know that I am a proud cosponsor of H.R. 7, the No Taxpayer Funding for Abortion Act. This bill explicitly prohibits federal funding for any abortion. Please be assured I will to vote for life.

Again, thank you for attending my Rensselaer Town Hall event. Please stay in touch.

Sincerely,

A handwritten signature in blue ink that reads "Todd Rokita".
